SERVICE NOTES

Weekday schedules — the following symbols refer to school-day and non-school-day service:

S - service operates only on school days.

N - service operates only on non-school days.

Sunday schedules are also operated on —

New Year's Day Labor Day

Memorial Day	Thanksgiving Day
The 4th of July	Christmas Day

Note that the 76 Marin Headlands line runs on holidays that have Muni Sunday schedules.

Service on other holidays — Call Muni's Telephone Information Center at 415/673-6864 for the Muni service on other holidays, including Martin Luther King Jr.'s Birthday, Presidents' Day, Columbus Day, and Veterans' Day. Note that Muni provides regular weekday service on the day after Thanksgiving Day.

For all schedules — times in light-face type are A.M. times, times in **bold-face type** are P.M. times.

"Limited" coaches operate on the 14, 28, 38, and 71 lines, making fewer stops and providing quicker service. Look for an "L" in the left column of the timetable.

"Express" coaches make stops in their areas of origin and then run non-stop to their destinations. Express services run only on weekdays, and except for the 9X San Bruno Express, only during morning and afternoon rush hours in the rush hour direction. Look for an "X" in the left column.

"A" and "B" Expresses — Many of the express lines are divided into "A" and "B" sections. On weekday mornings, the A and B expresses make stops in their own sections and then travel non-stop to downtown, where they make the same stops. In the afternoon, they make the return trip from downtown to their respective areas. Look for an "A" or "B" in the left column.

"Timed-Transfer Connection" — Certain evening and early morning connections, where indicated, are scheduled with a time overlap to assure that passengers can easily transfer from one line to another. For example, 43- and 44-line service is scheduled to overlap at Forest Hill Station in the evening and early morning hours.

Seniors (age 65+), youths (age 5-17), and children (under age 5) may be asked for proof of age. For seniors, a Muni Senior Citizen Identification Card is available — phone 626-1033 for information.

Persons on the platforms of the outdoor Muni Metro stations at S.F. State and Stonestown must have proof of fare payment — a Muni ticket, pass, transfer, or token. Persons who do not have proof of payment are subject to a fine under state law.

A **Regional Transit Connection Discount Card**, allowing persons to be eligible for Muni's discount fare, is available for disabled persons with a doctor's certificate, for qualified veterans, and for holders of a valid Medicare card or California Department of Motor Vehicle Placard Identification Card. A **red dot** in the center of the discount card allows an attendant to ride for the discount fare. (More than one attendant may ride for the discount fare if those persons are accompanying a group of disabled persons whose discount cards have the red dot.) For more information on the discount card program, call 923-6070. For information on accessible services, see page 4.

The adult monthly Fast Pass is good on BART and CalTrain within San Francisco. The 3-Day and 7-Day Passports are good for 3 or 7 consecutive days. The Passports are also good for discounts at visitor attractions in San Francisco, including the museums in Golden Gate Park.

Fares for Candlestick Park and Other Special-Event Service.

Youth.....$3.00

The fare for all of the above categories is $2 with a valid Muni pass. These special-event fares are round-trip fares — there

are no one-way fares. Transfers, tickets, and tokens are not valid on buses to the ballpark, but the ballpark service fare-receipt is good for transferring from ballpark service to other Muni service, excepting the cable cars, after the game.

For more information on service to Candlestick Park, see page 4 under Other Muni Services.

Regional Transit Connection Passes, Tickets, and Transfers

Passes:

The following passes are honored the same as a Muni monthly pass for Muni service:

An **AC Transit** monthly pass with a Muni sticker
A half-monthly **"BART Plus"** ticket
A **CalTrain** monthly ticket with a **Peninsula Pass**
A **Golden Gate Transit** Commute Discount Ticket Book with a Muni sticker
A **SamTrans** monthly pass with a Muni sticker
A **Vallejo Ferry** monthly pass with a Muni sticker

With the exception of a CalTrain ticket with a Peninsula Pass for CalTrain service, these Regional Transit Connection passes are not good for free BART or CalTrain service in

San Francisco. With the exception of a "BART Plus" ticket for the first half of a month, these passes are good on Muni for the first three days of the month following their expiration date.

Tickets and Transfers:

Tickets for the **Alameda/Oakland Ferry** have "AC Transit", "Ferry", and "Muni" sections. The full ticket is honored as a Muni adult fare. The Muni stub of the ticket is honored as a Muni adult fare at certain stops near the Ferry Building and Pier 39. A full Muni transfer for bus or streetcar service will be issued on request with either the full ticket or the Muni stub. An additional $1 is necessary for cable car service.

BART-Muni Discount Tickets are two-part tickets issued at San Francisco BART stations for the Muni adult fare, with the first part good for one hour and the second part good for 72 hours for Muni service. A full Muni transfer for bus or streetcar service will be issued on request with either part of the ticket. An additional $1 is necessary for cable car service. (The two-part discount tickets are free at the Daly City BART Station, but are good for service only on Muni lines 28 and 54, with no transfers issued.)

CalTrain "Plus Muni" Tickets are honored as a Muni adult fare at San Francisco CalTrain stations, with a full transfer issued on request.

The **Golden Gate Ferry Transfer** is a two-part ticket good on the date indicated on the ticket. The "Ferry to Muni" portion is honored for service from the Ferry Building area, and the "Muni to Ferry" portion is honored for a return trip. A full Muni transfer for bus or streetcar service is issued with either portion of the ticket. The ticket is not good for cable car service.

Animals on Muni

Any number of working dogs (guide dogs, signal dogs, or service dogs) for the disabled may ride free at any time. These working dogs for the disabled do not have to be muzzled, but must be on a leash. It is recommended that the working dog's picture be shown with its owner's in the photo on the Regional Transit Connection Discount Card.

Persons boarding with an animal that is not a working dog for the disabled must pay the same fare for the animal that they do for themselves. These animals are allowed to ride on Muni vehicles from 9 a.m. to 3 p.m. and from 7 p.m. to 5 a.m. on weekdays, and all day on Saturdays, Sundays, and holidays. Only one of these animals may ride per vehicle. Dogs must be muzzled and on a short leash or in a closed container, and other animals must be carried in closed containers.

Bicycles on Muni

Thanks to a grant from the Bay Area Air Quality Management District's Transportation Fund for Clean Air, Muni has a pilot project to test the use of bike racks on the 30-foot buses that operate on Muni's community service lines. There are racks on the front of the buses that allow two bikes to be carried on each bus.

The Bikes on Muni pilot project lines are as follows: 17 Parkmerced, 35 Eureka, 36 Teresita, 37 Corbett, 39 Coit, 53 Southern Heights, 56 Rutland. 66 Quintara, 91 Owl. Although not a part of the pilot project, there are also bike racks on the buses that serve the 76 Marin Headlands and 108 Treasure

Island lines. Please note that Muni operators will allow bicyclists to take bikes on any bike-rack equipped bus, whether or not that bus is in service on the pilot project lines or the 76 or 108 lines.

For further information on the Bikes on Muni program, call Muni's Telephone Information Center at 415/673-6864. For further information on bicycling in San Francisco, call the Department of Parking and Traffic's Bicycle Hotline at 415/585-BIKE and the San Francisco Bicycle Coalition at 415/431-BIKE.

"Carry On" Items

Muni operators may refuse to allow articles on board that could create a nuisance or cause harm. Food in open containers or poorly protected containers (such as coffee or soft drinks in paper or styrofoam containers, whether covered or not) may not be allowed on board.

Other large objects may be allowed on at the discretion of the operator, but aisles and doorways must be kept clear at all times. If a baby stroller is allowed on board, the child must be removed from the stroller and the stroller folded up while it is on the vehicle.

Additional Stops in the Evening

Between 8:30 p.m. and 6:30 a.m., additional passenger stops will be made either for boarding passengers, or for passengers on a transit vehicle at their request, at the nearside of any street intersection located between the regular stops. However, this rule does not apply to the following streets, where stops will be made only at the regularly designated stops at all times: Market St., east of Castro St.; Van Ness Ave.; Columbus Ave.; Ocean Ave.; and the north side of Lincoln Way, from 11th Ave. to 35th Ave., and at 46th Avenue.

Reporting Crime on Muni

Did you see an incident you wish to report? Notify the operator if it is safe to do so. Otherwise, call Muni's Passenger Service Department at 923-6164 or the Muni Crime Hotline at 553-9290. Please get as much information as possible, including the number or letter of the Muni line, the four-digit number on the vehicle (cable car numbers have one or two digits), the location, the direction of travel, and the time of day.

PCC STREETCARS IN F-LINE SERVICE

PCC cars were originally designed under the direction of the Electric Railway Presidents' Conference Committee, in an attempt by 25 U.S. and Canadian transit companies to put an improved streetcar into service. The first of the quiet and economical cars was put into service in New York City in October 1936, and Muni's first PCC cars arrived in August 1948. Nos. 1007-1015 were originally built for Muni in 1948, and Nos. 1050-1063 were originally built for Philadelphia in 1946. (Note that Muni has other PCC cars that are not in regular F-line service.)
